

# AMBRXSE

**Ambrxse**, the exceptionally talented and trailblazing American-Peruvian DJ proudly representing Miami, is leaving an indelible mark on the electronic music scene with his unparalleled blend of house music and mesmerizing vocals. As one of the few **American-Peruvian** DJs in the industry, Ambrxse stands out as a true pioneer, bringing a unique cultural perspective and a fresh, dynamic sound to audiences worldwide. Currently dazzling crowds on his global 'Saints of Summer' tour, Ambrxse not only shines as a sought-after performer but also as a gifted collaborator, effortlessly traversing various genres and collaborating with renowned producers across the musical spectrum, from **latin tech house to melodic house**. His distinctive bilingual background grants him a powerful edge, allowing him to infuse his music with the richness of his Peruvian heritage while seamlessly navigating the ever-evolving trends of the Latin music scene on a global scale.

Rapidly ascending to the forefront of the industry, Ambrxse has graced the stage alongside heavyweight acts such as **Gordo, James Hype, and Victor Lou**, solidifying his status as a beloved fixture in clubs and festivals alike. His breakout single "Mariposa" has been setting the house music community ablaze, showcasing his Latin roots and delivering a heart-pounding second half drop that ignites dance floors with unparalleled energy. Ambrxse commands the electronic music realm with his infectious sounds, promising an exhilarating ride through 2024 and beyond. Get ready to witness the groundbreaking artistry of one of the only American-Peruvian DJs making waves in the global music scene today.
